Be a lady tonight; let's
Keep the party polite; but if you've
ever seen a lady to begin with, and
be a lady tonight. But let a
gentleman see how nice a girl you
can be - ^{stick} with me baby in the fellow
you came in with - Be a lady to
night / Let's keep the party polite -
never get out of my sight - a lady doesn't
~~wander~~ all over the place - and blow
on some other guy's dice - a lady
doesn't leave her escort - it isn't
fair it isn't nice a lady doesn't wander
all over the place and blow on some
other guy's dice

- You may like the common herd;
That is no excuse to act like them.
- Kaula { missiles, sheer walls.
- Writing to Catherine explains myself
to myself as well as I ever do
- Waves chase each other across the
ocean and in return for triumph of
catching the leader on the beach
and crashing down upon it when
it is flat and helpless, one is
crushed from behind. A slow -
pulsing but desperate race ending
in victory & death.
- René saluting the flag of naval
ship as he disembarks - the fierce
look of determination, exaggerated
pose - the signs of ridicule
